in order that it may be continued. better selection could hardly be made. | contest if Grant would agree, in the | The New York Tribune says that travevent of his election, to eject from office event experience in Arkansas, exciting though it may be, is not entirely unattended by danger, if we may judge of the country from a traveler's recent experience. Our and will not accept the little nomina- sists in this, that if Grant be re-elected correspondent in the Southwest, whose and will not accept the little nomination tendered before the Foote-lights of the Basner's neat little private theater.

While Amsdeus, of Spain, is pardoning participants in the late rebellion in that kingdom, Secretary Boutwell and his imittators are bellowing from the little nomination will in the southwest, whose letter is herewith printed, relates some moving incidents by field and rail, which will revive the memory of stories of American travel told in Martin Chuzzle-will. For all that, however, Arkansas has many physical attractions for settlers, and we may be allowed to hope that it will not always be as it is now, "the worst-governed Southern State." his imitators are bellowing from the stump, in this country, no closing of the people of that State whether Greeley or Contrast with the condition of Arkanstump, in this country, no closing of the "bloody chasm." More blood to elect Grant is their motto.

The Aurora Volksfreund, the only German paper in the Fourth Illinois Congressional district, comes out for Greeley and Brown and the entire State ticket. In the West and Northwest the changes from Grant to Greeley among German effizens is most noticeable and the mastery. In reality, therefore, the grown is the found of the sure of the condition of Arkansas, over whose unfortunate property-holders the rule of the carpetbag has prevailed, the condition of her nearest neighbors, Tennessee and Missouri, which were some time ago returned to the government of their own people, white and black. In each of the latter, property is secure, life is protected, material prosperity is reviving, and, in the blessing of a liberty which embraces all its inhabitants, each State is rapidly learning to forget both the civil war and the long blight of clavery which are also defined patrons of the Memphis 200 and German citizens is most noticeable and apparent.

J. L. Morphus, member of Congress from the second district of Mississippi, and recently nominated as an elector from the State for Greeley and Research and Research and Research and Research and Research State of Which Ames retains the mastery. In reality, therefore, the struggle in Mississippi, within the confines of the Radical party, is between Alcorn and Ben Butler. Ames is the emptiest possible little figurehead of the Massachusetts mouster.

NEW OFFICE, No. 280 MAIN STREET, where I can be found from 7 a.m. to 6 p.m. and 5 in the long blight of slavery which preceded it.
